

Executive Director's Message to Members

May – June 2021

Dear Member,

We have some good news to share!

In recognition of the work the Federation of Kenya Employers has done promoting social policy and social dialogue and tripartism, I wish to bring to your attention my election as the International Organization of Employers (IOE) Regional Vice President for Africa. I will continue to serve you diligently and use the Kenyan and Regional experience to extend and advocate for support measures for Africa. I also thank you for your support and entrusting FKE with the role to represent you on employment and labour relations matters at the international level.

World Day Against Child Labour

In the month of June we commemorate the World Day against Child Labour, enterprises are encouraged to play a leading role in preventing and eliminating child labour, not only in their workplaces, but even beyond by supporting vulnerable children in communities in which they operate.

FKE Annual General Meeting

I want to extend my invitation to all our members to the 62nd Annual General Meeting, which will be held virtually on 22nd July 2021. Please ensure that you are up to date with your subscription to enjoy this engagement. Register through this link <https://forms.gle/ZjVAfq3ibuAQKTjw8>. However, don't forget to reach out for the training opportunities

Filing of 2020 Income Tax Returns

The Kenya Revenue Authority wishes to remind all Kenyans to file their returns and settle any outstanding tax liabilities by the 30th June deadline. I urge employers to release their employees P9 forms for the income 2020 to enable them file their tax returns in time and avert any penalties. To file returns please visit iTax through www.itax.kra.go.ke.

Employers' Survey

Lastly, ahead of the AGM, we shall be running a survey to establish the Workplace Trends in Kenya. This survey will examine how COVID - 19 changed workplaces in Kenya and how business are preparing for the changes in the next 5 years. This will inform FKE's proposals for policy changes needed to create an enabling environment for these workplace changes. Please take a few minutes to give us your thoughts and opinion over this matter on this link https://actemp.syd1.qualtrics.com/jfe/form/SV_4Zr9iV5jmiFt6LA.

Yours Sincerely,

Jacqueline Mugo, EBS
Executive Director & CEO
